

Change Log

The Notice of Requirement (NoR) and Resource Consent Applications for the Kaituna River Re-diversion and Ongatoro/Maketu Estuary Enhancement Project were lodged with the Consent Authorities (Western Bay of Plenty District Council and Bay of Plenty Regional Council) on 30 July 2014. Changes made to the submitted documents since lodgement are recorded in the table below:

Date	Documents Changed	Description
10.09.2014	Form 18: Notice of Requirement - Attachment 1: Designation Plan - Attachment 2: Schedule of land included in the designation Volume C: Drawings - Designation Plan	To clarify the status of the causeways between Papahikahawai Island and Maketū Spit, and between the Island and the land north of Ford’s Cut, we have updated the designation plan and schedule as follows: <ol style="list-style-type: none"> 1. Updated the Designation Plan to show the full area of the causeway to be removed as a designation for construction purposes. 2. Updated the Designation Plan and Schedule to include the Papahikahawai No.2 Block, the WBOPDC recreation reserve, and the DOC administered Maketū Wildlife Reserve which contain parts of the causeways. We also updated the designation plan and schedules to correct inaccuracies in the original documents as follows: <ol style="list-style-type: none"> 3. Updated the Designation Plan and Schedule to reflect the ownership details of parcels now owned solely by AW Brain (formerly AW Brain & DC Harwood) 4. Updated the Designation Plan and Schedule to reflect the ownership details of parcels owned by Kukuwai Farms Ltd (listed in the original NoR as BR & DA Dean)
